

WHY JOIN OUR BOARD?

LEADERSHIP EXPERIENCE THAT MAKES AN IMPACT

Serving on the board gives you a chance to take the lead on projects and initiatives outside your day-to-day role, helping you grow as a well-rounded leader. Plus, you're helping students and recent grads learn along the way, making a real difference in their lives.

SKILL BUILDING BEYOND THE JOB DESCRIPTION

Board members get hands-on experience in areas like event planning, budgeting, public speaking, and team management (so, you can either sharpen your day-job skills, or experiment with new skills in a safe place).

EXPAND YOUR NETWORK + ACCESS OPPORTUNITIES

Board members connect with peers, mentors, and industry leaders, and often get first access to exclusive opportunities like conference speaking, gala invitations, and industry events.

MAKE A DIFFERENCE

Board members directly contribute to our annual Public Service campaign, a cornerstone project that offers pro bono marketing support to a local nonprofit (in addition to other meaningful community and industry initiatives).
